

Athlete Availability

Fife AC is competing in the Grampian and Forth Valley Leagues this year. The competition dates for both leagues are listed below.

It is essential that we field strong teams in all of these fixtures if we are to move towards our target of becoming one of the premier track and field clubs in the country. We performed well in both leagues last season and our goal this year is to compete for promotion in the Forth Valley League and to qualify as many age group teams as possible in the Grampian League Final. To achieve these goals we need a strong commitment to compete from all athletes.

Please complete the form below and return it to your coach by Monday 11th April so that we can begin to identify which athletes will be selected for the first two fixtures.
